Pursuant to Article 401(5) of the Commercial Companies Code, during the Annual General Meeting each Shareholder entitled to attend the Meeting may propose draft resolutions on matters placed on the agenda.

4. Voting by proxy, proxy voting forms, and procedure for notifying Bank Ochrony Środowiska S.A. of the appointment of a proxy by electronic means

1) A Shareholder who is a natural person may attend the Annual General Meeting and exercise voting rights in person or through a proxy. A Shareholder other than a natural person may attend the Annual General Meeting and exercise voting rights either through a person authorised to make declarations of will on the Shareholder's behalf or through a proxy.

A proxy may exercise all rights of a Shareholder at the Annual General Meeting unless the power of proxy states otherwise. A proxy may appoint substitutes if permitted to do so under their power of proxy. A proxy may represent more than one Shareholder and may vote the shares of individual Shareholders in a different manner. A Shareholder of Bank Ochrony Środowiska S.A. whose shares are registered in more than one securities account may appoint separate proxies to exercise rights attached to the shares registered in each account. A Shareholder whose shares are registered in an omnibus account may appoint separate proxies to exercise rights attached to the shares registered in that account.

A power of proxy should be made in writing and submitted to Bank Ochrony Środowiska S.A., or should be issued in electronic form, otherwise being null and void. A power of proxy granted in electronic form will not require a secure electronic signature verifiable with a valid qualified certificate. A power of proxy or a text evidencing the grant of a power of proxy made in a foreign language should be translated into Polish by a sworn translator, otherwise having no legal effect.

A proxy voting form is available from Bank Ochrony Środowiska S.A.'s website at www.bosbank.pl in the 'General Meeting' section.

The use of that form is not required for the grant of a power of proxy.

The grant of a power of proxy in electronic form should be notified to Bank Ochrony Środowiska S.A. no later than 24 hours prior to the scheduled time of the Annual General Meeting, by sending a scanned form of the power of proxy signed by the Shareholder or, in the case of Shareholders other than natural persons, by the Shareholder's authorised representatives, by electronic mail to walne.zgromadzenie@bosbank.pl.

A notification of the grant of a power of proxy in electronic form should contain the name or first name and surname of the principal, their telephone number, address, and email address, as well as the proxy's name or first name and surname, their telephone number, address and email address.

In addition, such notification should be accompanied by identity documents (with data enabling identification, i.e. the series and number of the ID card/passport and Personal Identification Number (PESEL)) of the proxy being a natural person, a scanned official copy of the relevant register entry for the proxy being a legal person, and an email address for communication with the Shareholder or the proxy.

Please be advised that if a Shareholder grants a power of proxy along with voting instructions, Bank Ochrony Środowiska S.A. will not verify whether the proxy is exercising the voting rights in accordance with the instructions received from the Shareholder.

2) Bank Ochrony Środowiska S.A. will take appropriate steps to verify the Shareholder's and the proxy's identity in order to check the validity of a power of proxy granted in electronic form. The verification procedure may in particular involve contacting the Shareholder or the proxy via a return electronic message or by telephone in order to confirm the fact of granting the power of proxy and its scope. Please be advised that if the questions asked during the verification process are not answered, verification of the grant of a power of proxy will be deemed impossible and the proxy will not be allowed to attend the Annual General Meeting.

3) The right to represent a Shareholder other than a natural person should be evidenced by an official copy of the relevant register entry (either the original instrument or its

notarised copy), or a sequence of powers of attorney, to be presented at the time of drawing up the attendance list.

Details of the person(s) granting a power of proxy on behalf of a Shareholder other than a natural person should be specified in a valid official copy of the relevant register entry for the Shareholder.

4) A member of the Management Board of Bank Ochrony Środowiska S.A. and an employee of Bank Ochrony Środowiska S.A. may act as proxies of Shareholders at the Annual General Meeting.

If a member of the Management Board of Bank Ochrony Środowiska S.A., a member of the Supervisory Board of Bank Ochrony Środowiska S.A., an employee, or a member of the governing bodies or an employee of a subsidiary of Bank Ochrony Środowiska S.A. acts as a proxy at the Annual General Meeting, the power of proxy may only authorise them to represent the Shareholder at that specific General Meeting. A proxy is obliged to disclose to the Shareholder any circumstances giving rise to an actual or potential conflict of interest. In such a case, the proxy may not appoint any substitutes.

5) The proxy referred to in item 4 above will vote according to the voting instructions received from the Shareholder.

In addition, JavaScript must be enabled (these are standard browser settings).

A lower connection speed or older browser versions might cause problems or prevent communication with the General Meeting's venue, delay transmission or prevent voting. While using the platform, a Shareholder should not use other applications that place significant load on the computer and the communication link used by the platform. It is recommended that the platform be used in full screen mode.

6. Remote voting by post

The Bank does not permit the option of remote voting by post.
